Objective

I am in my second year studying Bachelor of Computing Systems at Unitec Institute of Technology. My peers will describe me as a passionate and determined individual. I believe education is not enough without practical experiences. As I am progressing through my computing pathway, I am seeking to gain industry experience in preparation for an Information Technology career.

Education

Unitec Institute of Technology

Bachelor of Computing Systems (July 2018-Present)

New Zealand Certificate in Information Technology (February 2018-June 2018)

Beltei International School

Highschool Diploma (2017)

Projects

Customer Membership System (April 2019-Jun 2019)

- Using Java programming language
- GUI software created by using Swing and WindowBuilder
